Collect.

O God, our ruler and guide,
when we come to the place where the road
divides,
keep us true to the way of Christ,

From the Vicar

Dan and I will be unavailable for a few days this week, while we do some sightseeing with friends.

As you might see, the foundation work on the new residence is under way. We have scaffolding ready to repair the western wall and an engineer has inspected the bell tower and eastern gable.

It has taken some time to get this far, however fruits of the labour are becoming evident. As with all seasons of growth we must protect the tender shoots and be mindful of the potential harvest.

St Peter's has hosted many different functions this year. We have come together for funerals of faithful saints, shared meals, a wedding and baptisms. God's presence in this place and among his people is evident to many. I ask that we continue to encourage each other and embrace the change of season with love and spiritual discernment.

Pray that the synod selects a bishop that welcomes the change of seasons and is reliant on God for all things.
