Trinity Sunday

Collect.

God of unchangeable power,
you have revealed yourself
to us as Father, Son and Holy Spirit;

The concept of the Trinity has created difficulty for some people. I suggest it is because we tend to concentrate on individual things more than inter-relational concepts.

Many plants are reliant of specific chemicals and cymbiotic organisms to flourish. They cannot exist without the other elements.

Our post industrial world is only now beginning to understand the complex and intimate relationships that are needed for all things to exist and thrive.

The idea of each of us being made up of star dust illustrates the whole aspect of life and connectedness.

God, Jesus and the Holy Spirit are revealed within the cosmos and within ourselves. If we chose to recognise this life sustaining fact recognising and relating the Trinity becomes much less problematic.
